## Mayor's Corner Caution for our Community

Ray Smith, Mayor

As summer comes to an end, we are continuing to cope with the COVID-19 pandemic. As most of you know, community leaders met to discuss how the community would deal with upcoming community events as the number of COVID-19 cases and hospitalizations soared in Lane County. The discussion group included:

Mayor Ray Smith  
City Administrator Anne Heath  
Coburg Rural Fire District Chief Chad Mintor  
Coburg Chamber of Commerce President Sharyl Abbaspour  
Coburg Police Chief Larry Larson  
Coburg Public Works Director Brian Harmon

After much discussion, it was decided that the City and Fire District could not support events that would draw hundreds and possibly thousands of people to Coburg.

The highest concern was the

increased potential of exposing our employees and volunteers that provide critical services to Coburg and the surrounding community.

Exposures to our Police or Fire responders could cause quarantines to the responders.

### **This could possibly lead to loss of Police and Fire services.**

Even with vaccination, people can still get and carry the virus. Thus, if first responders test positive they must be quarantined for several days before being able to respond again.

Coburg has only four paid police officers, three paid fire staff, and volunteers to assist both services.

Community leaders had great concern for providing service if there was an exposure and transmission of the virus. Just a few people being exposed could cripple our ability to provide police, fire and emergency medical

# Coburg Committee Highlights

*Updates on what the Coburg Committees have recently accomplished or are currently addressing.*

## Planning Commission

July/August

- No meeting held

## Park/Tree Committee

July/August

- Held a work party at Johnny Diamond Park

## Heritage Committee

July/August

- Selected plaques and recipients for historic preservation awards
- Underwent Certified Local Government (CLG) Review
- Began discussing 2022 Preservation Month activities

## Budget Committee

July/August

- No meeting held

## Finance/Audit Committee

July/August

- Reviewed the May 2021 Financial Report
- Discussion regarding the Systems Development Charges Financing policy
- Continued to review the Fiscal Policies and Accounting Procedures Manual

## *Committee Vacancies!*

Get Involved! The City of Coburg is accepting applications for Finance Audit Committee, Heritage Committee and Budget Committee. Call City Hall 541-682-7850 for details.

All City Council Meeting are live streamed at [www.coburgoregon.org](http://www.coburgoregon.org) (NO registration required)

## Coburg Community Charter School Update

CCCS is planning for a full return to school in September. We will be following state and local guidance regarding Covid protocols and procedures to keep our families safe.

possible spread of disease; and extra staff has been hired to ensure adequate cleaning and disinfection. As the situation evolves, we will remain flexible and adapt as needed to provide a safe, rigorous, and engaging program for our students.

As of now, students and staff will be required to wear masks; we will be maintaining three feet social distancing parameters; isolation and quarantining practices will be in place in order to reduce any

We are grateful for the patience, support, and flexibility of the CCCS community through all the ups and downs and twists and turns we face with the pandemic.

## 2021 Coburg Car Classic

The Coburg Car Classic was held August 7th 2021. It was extremely nice to get back to some kind of normal and have a community event. This year's event was a huge success.

We would like to say Thank You to all of our sponsors for their continued support of this event. Platinum Sponsors were *Coburg Road Quarry, Summit Funding, Edward Jones* and *Jonathan Derby*, along with five Gold sponsors and 30 Diamond sponsors.

**Thank You to the Junction City Lions Club** for serving breakfast to 160 patrons. **Thank you to the Coburg Community Grange** for the fantastic Chicken Barbecue, and **Terri Morneau** for putting it all together, serving 240 meals. **Thank you to Dari Mart** for making sure that we had our chicken and on time.

We had 219 vehicles registered for the show, with many more showing up after registration was closed. We had several participate in the cruise and had lots of beautiful cars.

### THANK YOU

**Coburg Fire** for the engine blow and the extraction demo, along with their continued support, and for also putting up the two tents.

**Coburg Police** for having a display and showing the community a little of what they do and are about.

**Lane Auto Modelers** for having the kid's activities and showing that the kids are an important part of our community.

**Coburg Community Charter School, the Coburg Community Foundation, and the Elders from the LDS** for all their hard work putting the event together.

**Coburg Public Works** for their continued endless

job of making our Parks look Great, for putting out barricades, and road closed signs, the American Flags, providing the radios and golf cart, maintaining the public restrooms and the streets & sidewalks and making sure the Odd Fellows Hall was up to code for food service.

**The staff at City Hall** for their behind-the-scenes support with permits, letters of support, and the numerous phone calls they received about the event.

**The Terry Dawson Family and Coburg Pizza** for providing the beautiful back drop for our T-Shirt and posters - they turned out awesome.

**David Kammerer from Summit Funding** for providing the beautiful car, his 1966 Shelby 350, for the poster and T-Shirts.

**Harrisburg Girls Softball** for doing such an amazing job selling raffle tickets for our 50/50 raffle. \$1000.00 Great job, Girls!

**The community of Coburg** for allowing us to have this event in this great town we all love.

**The Car Classic Committee (John & Alice Brooks)** for their hard work and dedication to make sure that the Coburg Car Show is representing our community in a professional manner. Please remember that it takes one volunteer for every three cars registered.

It is also extremely important to say **Thank You to all our friends and neighbors** for bringing their beautiful Classic Cars to Coburg to share with all of us.

THANK YOU COBURG!

# 2021 Coburg Scarecrow Festival Contest

*Entries must be received by midnight on Wednesday, September 22*

*Go to [coburgscarecrows.com](http://coburgscarecrows.com) to register*

The Scarecrow Festival in Coburg started with humble beginnings just three years ago.

Now it's time for everyone in Coburg to join the fun. It's a great opportunity for the Coburg Community when all of our other festivals and celebrations have been canceled or modified.

**PURPOSE:** To celebrate autumn with Coburg community-spirit and an invitation for our region to come and experience the best of Coburg and harvest.

We will hold a contest for scarecrow creation. We have established five categories for awards:

1. Historic
2. Neighborhood (2+ complementary exhibits, judging will consider content and number of displays/participating neighbors)
3. Mechanical/Technology/ Animation/ Best use of materials
4. Children (contributions from ages 12 and under)
5. Funniest

Prizes will be awarded to the winner of each category. There will be a separate award for the best business entry.

**ENTRY FEE:** FREE! There is no fee to enter.

**DURATION:** Scarecrow entries are encouraged to be displayed beginning Labor Day weekend through at least Halloween. For consideration in any contest portion of the festival, your entry must be on display by Wednesday, September 22, at 3:00 pm.

**ELIGIBILITY:** Scarecrow construction must contain hay, straw, or cornstalks. This event (and contest) is open to all Coburg families, businesses, non-profit groups, including schools, service and community groups, and youth organizations. (Businesses are encouraged to display an entry and one business will be awarded for best scarecrow.)

**THEMES:** Scarecrows may be traditional, whimsical, humorous, mischievous, fantasy, celebrity, or loveable. All entries are encouraged to include multiple scarecrows (or whimsical characters), as well as props and décor to reflect the theme of the display.

For participation in contest and judging: Violent themes will not be allowed, nor will direct advertising, political, or religious statements. Entrants are reminded that this is a community family event. No items such as tiki torches or flammable objects are allowed, or entries will be disqualified

from event awards. Battery operated lights, mechanical/robotic creativity are welcome.

**CONSTRUCTION:** Scarecrows must be in good taste and constructed to withstand Willamette Valley weather. Scarecrows must be durable and able to stand up to sun, wind, and rain as they will be displayed from early September through the end of October.

**IDENTIFYING SIGNS:** As part of your display, be sure to make a sign with the name of your entry or your school, group, business, or service club name. Your sign should be no larger than 11 x 17 inches. No advertising, political, or religious statements will be allowed.

**JUDGING/AWARDS:** All entries will be evaluated and voted on by an impaneled group from the Coburg Chamber of Commerce.

For more information, please visit <http://coburgscarecrows.com> or contact Tracey Pugh at 541-682-7858 or [tracey.pugh@ci.coburg.or.us](mailto:tracey.pugh@ci.coburg.or.us) or go to <https://forms.gle/poGQaysSbj7tzJg9A> to register.

## Coburg Chamber Update

We made it halfway through our summer without the benefits of masks and social distancing and we were enjoying it. Concerts in the Park were bigger than ever. Farmers Market was a delight with all their flowers, jewelry, breads, hot sauces, and popcorn! It felt like there was normalcy back in our lives. It was great watching all our neighbors reconnecting, dancing, and enjoying the community again.

But, unfortunately, the numbers for Covid skyrocketed and we had to cancel the remaining Concerts in the

Park, Farmer's Market, and the Coburg Antique Fair in September. We weren't happy... you weren't happy. But we have to keep our eyes on the community as a whole and your leaders from the mayor down had to have that very hard conversation and

made even a harder decision to cancel the rest of the summer and fall events. But Coburg is resilient.

We've shown it in the past and we will continue to move forward through this pandemic. The Chamber will continue to build on old events and create new ones to support our community and downtown businesses. We ask for your continued help in supporting these events.

And remember to continue supporting the businesses here in Coburg. The restaurants are still open and the retail shops continue to be here for you. Think local before buying from a store outside our community. We need to keep our businesses alive so that they will be there at the end of this pandemic.

Chamber meetings are every 3rd Wednesday of the month at noon. If you would like to join us on Zoom, please contact us so that we can add your name to the email. We would love to see you!

If you have any questions feel free to call Sharyl Abbaspour at 541.521.1717.

---

## Coburg United Methodist Church Closing this Fall

After 118 years of ministry, Coburg United Methodist Church will be closing this fall. We invite community residents to join us for our final worship service Nov. 7 at 10 a.m. It will be a celebration of what we have done as a faith community:

Shared the Good News of God's love in more than 6,000 Sunday worship services.

Hosted annual holiday bazaars, Christmas-in-Coburg singalongs and Easter egg hunts.

Marked life milestones with baptisms, confirmations, weddings and funerals.

Served our neighbors by supporting the Coburg Food Pantry, building Habitat houses and funding and assembling disaster emergency kits for the United

Methodist Commission on Relief.

**So why are we closing?** Like many churches, we have struggled to attract young people and our congregation is aging. We grew so small that we could only support a 1/4-time pastor. When our most recent pastor was reassigned to his home state this summer, we learned there were no 1/4-time Methodist clergy available to replace him.

We voted to close in hopes our building will be repurposed in a new form that will attract new generations to experience God's love. If you are hungry for a different form of spiritual connection, we would love to hear your ideas. Please email Karen at [karen.nordling.mccowan@gmail.com](mailto:karen.nordling.mccowan@gmail.com) with your ideas.

# Coburg Community Foundation Update

While summer weather seems to be in the forecast for a while longer, the summer calendar is coming to a close. Let's take a moment to celebrate the return of some of our favorite summer events in 2021.

The Market in the Park brought fresh food, flowers, and art to our downtown core. Concerts in the Park gave us music, dancing, and good times at Pavilion Park once again. Thanks to everyone who stopped by the CCF table. We hope our popsicles helped to make at least one of the evenings even more enjoyable.

The Coburg Car Classic returned with a Vroom. CCF volunteers helped the Coburg Grange to serve up barbequed chicken to a hungry crowd. CCF is

grateful that we were able to enjoy these things as a community once again.

Even though some of our summer events were cancelled, we still have things to look forward to in the coming weeks and months. Scarecrows will decorate the streets again this fall. Be sure to check them out and choose your favorites. Also coming up is the third annual Dumpster Day sponsored by

Coburg Community Foundation. Watch the CCF Facebook page for more details in the coming weeks. #Trashytreet2021 is not too far away either. It feels like 2022 will be here before we know it.

The Coburg Food Pantry was recently awarded a grant from Food for Lane County which allowed them to make a small but incredibly helpful upgrade to their facility by adding an air conditioner. We also want to remind our Pantry Partners that donation barrels are available at the Coburg Dari Mart near the mailboxes, on the boardwalk at the Coburg Inn near Blue Valley Bistro, and in front of the Pantry at 32697 East Pearl Street. Items that the Pantry currently needs include: canned fruit, jam, crackers, salad dressing, condiments, and canned vegetables (excluding green beans and corn). Let's get those barrels filled!

The Coburg Community Foundation has taken the Coburg Food Pantry under its fiscal umbrella. If you would like to make a monetary donation to the Coburg Food Pantry, please make your check payable to the Coburg Community Foundation and include "Food Pantry" in the memo area. All monetary donations can be mailed to the Coburg Community Foundation at PO Box 8104, Coburg, OR 97408.

---

## Coburg Community Grange

We hope you're having a great summer. The Coburg Community Grange has been busy. We helped with the Car Classic and hosted the ½ chicken dinner. We sold out again which is great.

The Grange is embarking on a new adventure. We are looking for living, local (in the Coburg Fire District) veterans of foreign wars to honor them in November, which is Veteran's Month. Please don't be shy about this. If you know of a veteran, please call Joe @ 541-228-8650. We are really looking forward to this project and it's a great way to honor those who served and

protected us.

Another project the Grange finished up was the planters in the parking lot at Dari Mart. They turned out great.

We have our meetings on the 2nd Wednesday of the month at 7pm. They're only an hour. Come see what we're all about. We look forward to seeing you. For rentals of the Grange, please call Alice @ 541-520-3901.

Terri Morneau Secretary/ Treasurer

# Drought Update from Public Works

Dear Residents,  
At this time, the City is not restricting water usage or asking you to go to odd or even watering days.

We do want to take a moment to ask you to help with the drought that the entire State of Oregon is facing, and ask that you take a look at the tips below, which can help you conserve water. This will not only help with the issue of the drought but could also help lower your water bill. If you have any question or concerns, please reach out to us.

Always turn taps off tightly so they do not drip.

Promptly repair any leaks in and around your taps. (One leak can waste several thousand gallons of water per year.)

Use an aerator and/or a water flow-reducer attachment on your tap to reduce your water usage.

When hand-washing dishes, never run water continuously. Wash dishes in a partially filled sink and then rinse them using the spray attachment on your tap.

If you have an electric dishwasher, use it only to wash full loads, and use the shortest cycle possible.

Many dishwashers have a conserve/water-miser cycle.

When brushing your teeth, turn the water off while you are actually brushing. Use short bursts of water for cleaning your brush. (This saves about 80% of the water normally used.)

When washing or shaving, partially fill the sink and use that water rather than running the tap continuously. (This saves about 60% of the water normally used.)

Use short bursts of water to clean razors.

Use either low flow shower heads or adjustable flow-reducer devices on your shower heads. (They reduce flow by at least 25%.)

Reduce water usage by 40% to 50%

by installing low flush toilets.

Wash only full loads in your washing machine.

Use the shortest cycle possible for washing clothes, and use the “suds-saver” feature if your machine has one.

Use only cleaning products that will not harm the environment when they are washed away after use. Look for “environmentally friendly” products when shopping.

Lawns only take 1 inch of water per week to grow. Less is needed during spring, fall, or cool weather.

Water during the cool part of the day, in the morning or evening. Do not water on windy days.

Do not over-water in anticipation of a shortage. Soil cannot store extra water.

Use shut-off timers or on-off timers, if possible. Do not turn on sprinklers and leave for the day.

*Thank you!*

## Who's That Employee?

Sara Athey was born and raised in Eugene, Oregon. She has several years of administrative experience. In her free time, she enjoys camping, fishing and hunting with her family.

She is excited to work for a small town. Sara is our new Administrative Assistant II. Sara will be in charge of managing event permits, applications, and calendars for parks and City facilities. Next time you are at City Hall stop by and welcome Sara.

# Evacuation and the Coburg Area

J. Bell, City of Coburg

In some emergency situations it may be necessary to evacuate portions of the City, or the entire City. This type of emergency situation might be caused by flooding, volcanic eruptions, truck hazmat spills, large wildfires, etc.

Finding a safe route out of town is limited by our geography and road availability. North and South evacuations are likely to be easiest, our east routes are blocked by the Coburg Hills, and to our west by rivers.

If we had to leave town quickly, where would you go? To the north? To the south? Thinking about this ahead of time makes it easier if it happens.

## Notification

Notification of the public will be coordinated with Lane County, as they control the public alert system used to notify people through cell phones and cable television. Large signs will also be used to inform the residents. Signs would be placed by these locations:

- North side of IOOF Hall on N. Willamette Street
- The Public Information Kiosk at Pavilion Park on N. Willamette Street
- Other city parks as needed

Other methods may be employed

as needed to notify people of the emergency.

Note: Coburg does not have any numbered "zones" like Eugene-Springfield, we can notify people by street address and by sections of the city.

Sign up to get notified on emergencies by Lane County on their website (Home - Lane County) look for the section on Emergency Preparedness. They will automatically notify you by cell phone/text about emergencies in our area.

Also - Check the "Settings" on your cell phone, and make sure you have enabled your cell to receive emergency notifications.

## Packing

Only essential possessions should be taken on emergency evacuations. Read the Lane County website on packing suggestions, in the section on Emergency Preparedness – Evacuation Guide and Information.

## Evacuation levels

It is important to know and understand the three (3) levels of evacuation notices that are used to help the public be ready for these emergencies. Level 1 is caution and Level 3 is get out. Here are descriptions with more detail:

**LEVEL 1 - BE READY:** You should be aware of the danger that exists in the area, monitor emergency services websites (Lane County)

and local media for information. This is the time for preparation and the precautionary movement of people with special needs, mobile property and (under certain circumstances) pets and livestock.

**LEVEL 2 - BE SET:** You must be prepared to leave at a moment's notice. This level indicates there is a significant danger to your area. You should either voluntarily relocate outside of the affected area or, if choosing to remain, be ready to evacuate at a moment's notice.

**LEVEL 3 - GO:** Leave immediately. Danger to your area is current or imminent and you should evacuate immediately. If you choose to ignore this advisement, you must understand that emergency services may not be able to assist you further. DO NOT delay leaving to gather any belongings or make efforts to protect your home. This will be the last notice you receive. Entry into evacuated areas may be denied until conditions are safe.

Recent evacuations revealed that most people relocate themselves when instructed, and they usually stay with friends or family. A small proportion of people will have no transportation or difficulty finding accommodations for themselves. The city and county will make every effort to help anyone in need during an evacuation.

*from previous page - Mayor's Corner*

response in Coburg.

Response to water and sewer emergencies and daily operation of these critical services could also be hampered if Public Works staff were to be exposed. (Public Works is integral to festivals, providing traffic barricades, cleaning and garbage collection, and securing utilities.)

Other concerns included the potential risk to our residents and employees of our local businesses. The loss of revenue by the Chamber of Commerce will be affected, but was not part of the discussion. (The Antique Fair is the main source of revenue for the Chamber. This revenue helps pay for the Thursday Concerts in the Park, and other community projects and events.)

There was an overwhelming sense of frustration and exasperation that our only reasonable and safe option was to cancel our community events. Many members of this discussion presented options that were given ample discussion and came to the same conclusion. This was a tough decision for all of us, and there was a palpable sense of loss and frustration in the meeting.

I have seen and heard many responses from community members regarding the decision to cancel our festivals. They range from very supportive and thankful, to obvious frustration and anger. As a community leader, I accept all of the statements with a true sense of understanding.

As much as anybody else, I wanted some normalcy. I am tired of the pandemic, the drought, the fires, the

smoke, and climate change. I want to forget about masks and social distancing. I want to enjoy our festival season with my family, friends and neighbors.

We all need this, we are social creatures.

The difficulty of wanting to be social while being concerned for the safety of others during this pandemic is such a paradox for social creatures. As we carry the burden of keeping each other safe, we can still celebrate in the small ways. We can still safely visit with our neighbors as we take our walks, we can appreciate having a safe, comfortable community that respects each other in spite of our differences. Coburg is an amazing community and we will continue to meet our challenges together.

With the tough decision made, I want to publicly thank all of those that participated in the meeting, shared frank concerns, and discussed options openly and candidly. The leaders made the right decision, a tough decision, but the right decision.

Please continue to be safe and considerate, as we step into a new school year. Be mindful and patient as we work through these troubled times. Let's do what we can to get through this together.

Mayor Ray Smith, City of Coburg

### IMPORTANT NOTICE TO UTILITY BILLING CUSTOMERS

On July 27th the City Council approved Ordinance A-252, an Ordinance adopting a Transportation Utility Fee (TUF) for all residential and business customers. The residential TUF will be \$7.00 per month. Businesses will be billed .27 per associated trip based upon the ITE code trips per day for business type times 1000 square of business space. The City staff will be contacting businesses to confirm your square footage and business type so you can be properly billed for this fee. If you have questions regarding this fee, please contact our offices at 541-682-7850

*Our Town is a publication of the City of Coburg. If you'd like to be added to our newsletter mailing list, email Tracey Pugh ([tracey.pugh@ci.coburg.or.us](mailto:tracey.pugh@ci.coburg.or.us).)*

## *Questions About City Happenings?*

We work for you! The City wants you to get the information you need and care about. Currently, Our Town, the Coburg website [coburgoregon.org](http://coburgoregon.org), the 'City of Coburg, Oregon' Facebook page, 'Coburg Police Department' Facebook page, monthly utility bills, the Post Office (Dari-Market), and City Hall are all places to get information about what is happening in and around Coburg. Council and committee meetings are also great resources.

*What do you want to hear about? How do you like to get information? Let us know.*

*- Coburg City Staff*
